

NKHTGT 2020: registration is open from now!

The NKHTGT 2020 calendar is ready! In 2020 NKHTGT offers races at the Hockenheimring, the upgraded Formula 1 circuit at Zandvoort, Spa-Francorchamps, Zolder, Assen and Le Mans. In each event we have a qualification and usually two races, only at Spa-Francorchamps we have a 61 minute race. In some events we also offer a free practice session.

Like last year the package deal for all six events costs € 3,150, single entries cost € 795 per event. Please find the calendar below, as well as all information about entering our races and some general information about the NKHTGT, eligible cars and driver's requirements.

In 2020 NKHTGT will be generously sponsored by Nolte Küchen (main sponsor) and Gamma (event sponsor Gamma Racing Day)!

| Nolte Küchen NKHTGT 2020 | | |
|---------------------------------|---|---|
| 17 - 19 April | Preis der Stadt Stuttgart (Hockenheimring) | qualifying, 2 races (45 min) |
| 23 - 24 May | Historic Zandvoort Trophy | free practice, qualifying, 2 races (30 min) |
| 26 - 28 June | Spa Summer Classic | qualifying, 1 race (61 min) |
| 10 - 12 July | Zolder Superprix | free practice, qualifying, 2 races (25 min) |
| 7 - 9 August | Gamma Racing Day (TT-Circuit Assen) | qualifying, 2 races (30 min) |
| 16-18 October | Motors Cup – Le Mans (Bugatti Circuit) | qualifying, 2 races (30 min) |

Please note: the calendar is subject to change and approval (KNAF)

Package Deal 2020

The NKHTGT Package Deal 2020 costs € 3.150, just like last year. A package deal is your entry to all six NKHTGT events in 2020. The package deal price also includes the annual membership fee 2020 for one driver. If you enter two drivers, the second driver has to pay an additional € 40 membership fee. A package deal entrant may pass his entry to another single event entrant/driver in **one event**.

If you prefer a business invoice for your Package Deal registration, you can opt for the NKHTGT Sponsor Deal, priced at € 4,150 (0% VAT). With this deal you sponsor the NKHTGT. In return your company name and logo will be published at our website and will be shown in as much other publicity as possible.

Of course, other forms of sponsorship are possible and very welcome! If you want to discuss the possibilities, you can contact Bert Mets (bert@nkhtgt.nl).

You can register for the package deal by fully completing and signing the attached registration form. The registration form can be sent digitally (in pdf format) to race@nkhtgt.nl or to the secretary's office. *Please don't forget to send a copy of the first page of your cars' HTP!*

A maximum of 45 package deals will be sold. Registration starts with immediate effect and will close on **Friday 15 February 2020 at 00:00**. At that moment the entry fee must be received on the NKHTGT bank account.

Bank details:

IBAN: NL17 RABO 0105 2803 48

name: NK-HTGT

town: Amsterdam

BIC code: RABONL2U

Please state the name(s) of the entered drivers clearly in the subject of your transfer.

Acceptance of registration for the package deal is basically in order of receipt of the payments. Registration closes on closing date. If the maximum number of entries hasn't been reached on the closing date, registration closes at the moment 45 registrations and payments have been received. If the number of paid registrations on closing day exceeds the maximum of 45, the acceptance of the entries will be decided by the NKHTGT board. The board will draw up a scheme for that purpose, based on the number of participations of the entrant in the seasons 2015-2019. The ranking evolving from this scheme will determine the acceptance of the registrations, under the reserve of payment of the entry fee in due time. An entrant whose registration cannot be accepted will - with priority - be placed on the waiting lists for the meetings which they want to compete in. If a paid entry can't be accepted by NKHTGT for any reason, the entry fee will be fully refunded.

Single entries

The entry fee for a single entry is € 795 per event (all events). If the entrant is not a paying member of the vereniging NKHTGT (association NKHTGT), you'll pay an additional € 40 membership fee (once per year). This membership ends automatically by the end of the year.

Pre-registration for single events will be open with immediate effect; single event entries will be accepted and confirmed from the moment the entry for the package has been closed. Single event entries can only be accepted under the condition of the availability of sufficient grid space. If the total number of entries exceeds the number of available grid space in an event, there will be a waiting list.

What is NKHTGT?

NKHTGT is the European race series for touring cars and GT's homologated from 1947 till 1965. The series was founded around 1996, since 2005 the Vereniging NK HTGT is the organizer of the NK HTGT series. We are aiming for an international status from 2020, which means that results in all races will count for the championship.

Eligible cars and tyres

Participating cars must be prepared according to FIA appendix K rules, a current Historic Technical Passport (HTP) is mandatory. Cars without an HTP but with a pending an application can be accepted by exception if they are up to FIA appendix K standards. All cars have to comply with FIA security standards.

All cars have to run on Dunlop Racing L- or M-section tyres compound 204, with M's only permitted for period F cars. Other tyres are not allowed.

Drivers: international licence (race) required!

Because the majority of NKHTGT races will be on foreign tracks, we will apply for an European/international status, allowing us to let all events count for the championship. This means that the minimum licence requirement will be an International Licence (races) for all competitors. Most of our competitors already have an international licence. For those competitors who don't have an international licence yet, the upgrade to an international licence won't be a problem.

Order your Dunlop Racing tyres in time!

Dunlop Racing tyres are readily available in all sizes, but please take some delivery times into account. HP Tyres (<http://www.hptyres.com>) is our preferred supplier.

More information and contact

For any questions you can contact the NKHTGT secretary's office through race@nkhtgt.nl or by phone: + 31 6 2621 6464 (Egbert Kolvoort).
